Caboolture Community Choir to Sing for Probus Club

Caboolture Community Choir to Entertain Probus Burpengary Members for Special Mothers' Day Meeting

Members of Caboolture Community Choir are delighted to have been invited to sing for the Burpengary Probus Club's special Mother's Day meeting on 27th May 2025.

The theme of the meeting is "Preventing Domestic Violence", and the choir's esteemed musical director, June Willoughby, has thoughtfully selected a varied collection of songs that reflect unity, hope, love, and resilience. The selection includes 'Don't Worry, Be Happy', 'Best Friends', 'Here Comes the Sun', and 'What a Wonderful World', plus the theme from the movie 'Pocahontas', 'Colours of the Wind', a beautiful song inspired by the American Indians' respect for the laws of nature.

Among the choir's favourites, 'One Song', by Alan and Marilyn Bergman and Marvin Hamlisch, has inspiring words that begin with "If we could sing one song, one song of love, one song of peace..." The composer asks us to contemplate a world in which everyone sings one song together, not literally, but figuratively, united by the amazing power of music.

This year, the Choir celebrates fifty years of service to the community. Wearing distinctive purple shirts, the choir performs regularly at Aged Care Homes and for community events. Our motto is "We don't sing because we are happy. We are happy because we sing." Our goal is to bring the joy of music to the community, and we are always happy to receive an invitation to bring happiness to any community gathering.

The choir is always actively seeking new members, and at present is especially keen to recruit men. No special talent is required. If you can hold a tune, we welcome you to join our happy choir family.

Probus Club is a non-profit social network for retired and semi-retired folk. It offers opportunities for fellowship, friendship and shared interests. Burpengary Probus Club is one of a large network of clubs operating worldwide. Since expanding from the U.K to New Zealand in 1974 and then to Australia in 1976, Probus has grown to have a significant presence in Australia and New Zealand, with clubs in all states and territories. Like the Caboolture Community Choir, Probus is always delighted to offer a warm welcome to any new member seeking to be part of a 'family' focused on promoting unity, community health, and a joyful fulfilled life.
